**RELATOR'S MEMORANDUM IN SUPPORT OF HER MOTION TO PRECLUDE  
THE DOJ AND DEFENDANTS FROM  
REMOVING MATTERS FROM THE COURT'S DOCKET, INCLUDING PENDING  
MOTIONS FOR SUMMARY JUDGMENT, UNLESS THIS PURPORTED  
SETTLEMENT IS APPROVED BY THE COURT**

COMES NOW Relator, Christine Ribik, by counsel, and files this, her Supporting Memorandum in Support of her Motion to Preclude the DOJ and Defendants from Removing Matters from the Court's Docket, including Pending Motions for Summary Judgment, unless this Purported Settlement is Approved by the Court, and in support thereof, states as follows:

1. On November 8, 2017, the DOJ informed Relator that they had reached the basic terms of a "settlement" with Defendants, but were working to finalize the details.
2. Under 31 U.S.C. § 3730(c)(2)(B), the Government cannot settle a case without Relator's consent and where Relator objects to the settlement, the Court must conduct a hearing to determine if the proposed settlement is "fair, adequate and reasonable."

3. Relator Ribik and likely Relator Slough<sup>1</sup> intend on requesting a hearing regarding DOJ's proposed "settlement" with the Defendants on the grounds that it is not fair, adequate or reasonable by its terms. Allowing dismissal without such a hearing involving judicial review, would render the approval provisions of the FCA meaningless. *United States ex rel. Schweizer. V. Oce, N.V.*, 677 F.3d 1228 (D. D.C. 2012).

Wherefore, these and other premises considered, Plaintiff respectfully requests that the Court not remove any pending Motions, most notably the Summary Judgment Motions, that are currently pending for resolution on November 9, 2017. A proposed order is attached.

Respectfully Submitted,
